## I ♥ BALLOONS

The thought of balloons always  
Fills me with smiles  
The sight of balloons has me  
Grinning for miles

They lift up my spirits  
They're cheery, they're bright  
They make my heart flutter  
And soar like a kite

I can't say I like  
How they look, feel or smell  
What has me excited is...

...How well they SELL!

## HARD LESSONS

This Watermelon's rotten  
And icky to the core  
I found this out the hard way  
When I dropped it on the floor

This Apple's somewhat squishy  
And gooey to the touch  
I found this out the hard way  
When I handled it too much

This Nectarine is noxious  
And horrid to the taste  
I found this out the hard way  
When I bit it in my haste

This fruit basket's revolting  
I'd toss it 1, 2, 3  
I found this out  
the hard way...

...All the fruit-flies disagree!!!

## CAN'T SLEEP

I found it very hard to sleep  
My Granny said, "Just count some sheep!"  
I closed my eyes and counted sheep  
But found I could not sleep a peep  
I counted sheep, I counted goats  
I counted horses eating oats  
I counted cows and flying crows  
I counted pigs arranged in rows  
I even tried a goose and duck  
But no, oh no, I've had no luck  
I have not slept a wink or nod  
Could it be that...

...my counting's flawed?

## HELP! MISSING PET!

Please help, our pet has disappeared—  
We think she's gone astray  
We fear she must be feeling weird—  
She's never been away!

We found the kitchen door ajar  
But no one saw her leave—  
She could not have wandered too far,  
She's nearby, we believe!

She answers to the name of Rose  
And likes to hide in shrubs  
She loves a pat upon the nose  
And craves a belly rub!

She might be cold (she's short on fur);  
She's timorous and shy  
Be gentle if you do see her  
For noises make her cry!

She has a patch upon one eye  
She's mostly colored grey  
She's such a little sweetie-pie...

... Please help find her today!
